

referred to the Executive Board.

PRESIDENT: All right, we'll move on to LB 934, please.

CLERK: Mr. President, 934 was a bill introduced by Senators Korshoj and Hartnett. (Read title.) The bill was introduced on January 6 of this year. It was referred to the Urban Affairs Committee for public hearing. The bill was advanced to General File. I have committee amendments pending by the Urban Affairs Committee, Mr. President.

PRESIDENT: Senator Hartnett.

SENATOR HARTNETT: Mr. President and members of the body, there is two amendments. One is after "forty-eight" add the word "hours". We left the hours off. And after "personal services" to allow...add "or following receipt of a certified letter". So I think with the certified letter we will cut down the costs of cities, and so forth. So I move the body to adopt these amendments to LB 934. Thank you.

PRESIDENT: Any further discussion? If not, the question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the Urban Affairs Committee amendments.

PRESIDENT: The committee amendments are adopted. Anything further on the bill, Mr. Clerk?

CLERK: Nothing further, Mr. President.

PRESIDENT: Senator Hartnett, on the advancement of the bill.

SENATOR HARTNETT: I think Senator Korshoj.

PRESIDENT: Excuse me. Senator Korshoj.

SENATOR KORSHOJ: Mr. President and members, I know that I'm finally bringing you a very good bill because I have introduced a lot of good legislation and they have all gotten killed in committee and this one got out so it has to be a good one. And it really is a good bill. Many, many cities, as you can see by my handout, want this bill. The purpose of LB 934 is to
